

Light of Friendship

This little light of friendship
Is to hang upon your tree
When you see it swing and sway
I hope you'll think of me.
I know it doesn't flicker,
But know right from the start
All true friendships
Flicker from within your heart.

Merry Christmas

Light of Friendship

This little light of friendship
Is to hang upon your tree
When you see it swing and sway
I hope you'll think of me.
I know it doesn't flicker,
But know right from the start
All true friendships
Flicker from within your heart.

Merry Christmas

Light of Friendship

This little light of friendship
Is to hang upon your tree
When you see it swing and sway
I hope you'll think of me.
I know it doesn't flicker,
But know right from the start
All true friendships
Flicker from within your heart.

Merry Christmas

Light of Friendship

This little light of friendship
Is to hang upon your tree
When you see it swing and sway
I hope you'll think of me.
I know it doesn't flicker,
But know right from the start
All true friendships
Flicker from within your heart.
